Dear Ratepayers:

We are pleased to announce that at our monthly meeting on January 9, 2012, the Commissioners passed a resolution that provides for a fifteen percent (15%) reduction of our standard service charge and a fifteen percent (15%) reduction of the consumption charge on the first one thousand (1,000) cubic feet of water used by ratepayers who satisfy the eligibility requirements for the Senior Discount Program established by the respective Borough or Township in which they reside.

Please be advised that the discount does not apply to vacation homes, investment properties or commercial properties, and will only be issued to ratepayers that are on the approved list provided by the Tax Clerk from their respective Borough or Township. In addition, the discount will not be provided to ratepayers that have delinquent balances owed to the Authority.

Our office will gather the approved list of ratepayers qualifying for the Senior Discount Program from the respective Tax Clerks and will make the necessary adjustments to our billing records to provide for the reduction. No further action is required by the ratepayer.

Please see attached copy of the Senior Discount Program adopted by our Board.

If you have any questions, please contact our office.

Very truly yours,

MANCHESTER UTILITIES AUTHORITY
